Welcome to Om Sai Safeguard — your trusted partner for
Security Services in India.

OMSAI SAFEGUARD SERVICE PVT LTD.

ABOUT US

Om Sai Safeguard Services Pvt. Ltd., established in 2018, is a fast-growing security solutions provider offering reliable protection across India. We combine trained security personnel with advanced surveillance technologies to safeguard people, property, and critical assets. Operating across major states, we serve banks, hospitals, residential societies, corporates, and industrial units. Guided by our core values—Integrity, Vigilance, and Helpfulness—we deliver ethical, professional, and tech-enabled security services. By continuously upgrading our solutions, we aim to redefine modern security standards for an increasingly dynamic environment.

OUR MISSION

To protect lives and assets through highly skilled manpower, advanced surveillance technologies, and a customer-first approach, while consistently upholding the highest standards of integrity, vigilance, and ethical security practices.

OUR VISION

To build a safer and more secure society by becoming India's most trusted, innovative, and technology-driven security solutions provider.

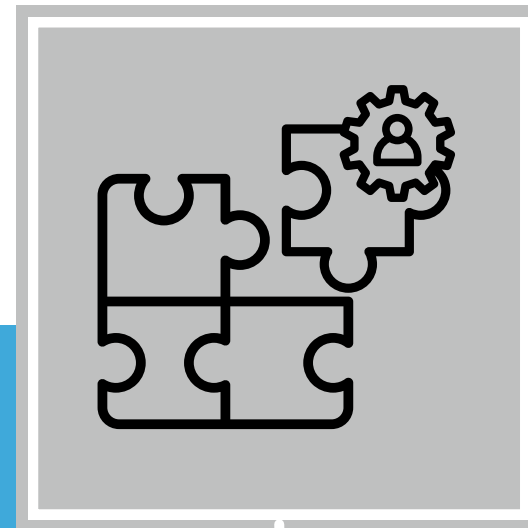

OMSAI SAFEGUARD SERVICE PVT LTD.

PROBLEMS

INCREASING SECURITY THREATS:

Rising thefts, trespassing, vandalism, and internal security breaches across commercial and residential establishments.

TECHNOLOGY GAPS:

Many organizations lack modern surveillance systems, real-time monitoring, and integrated security frameworks.

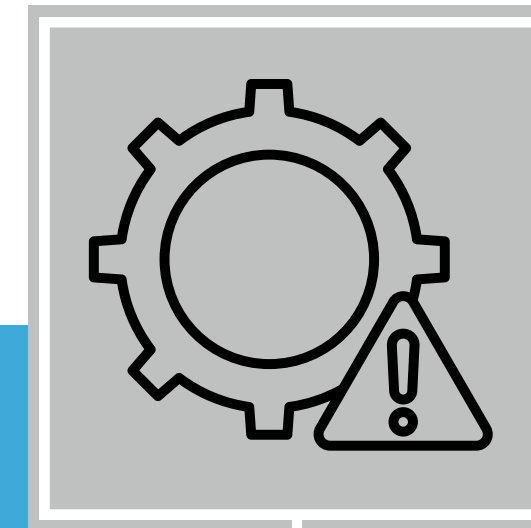

UNTRAINED MANPOWER:

A majority of security agencies deploy staff without proper training, discipline, or professional conduct.

SECTOR-SPECIFIC VULNERABILITIES:

Banks, hospitals, corporates, and societies require tailored security operations, often unmet by generic providers.

INEFFICIENT SECURITY MODELS:

Traditional manpower-heavy solutions fail to address today's dynamic urban security landscapes.
